

SUMMER PREPARATORY WORK

AS LEVEL ART

Central
Saint Michael's
Sixth Form

A UNIVERSITY STYLE SIXTH FORM

Hello from the A' level Art Department.

Welcome to Central St. Michael's / Sandwell College, I am really looking forward to seeing you in September and have lots of exciting and creative projects for you to enjoy over the next year. I would like you to do some holiday work over the summer to prepare you for your A' level Art course.

Please complete:

A series of deconstructed self-portraits, which could include:

A tonal observational drawing

An observational drawing which has been deconstructed / altered (for example adding pictures / cutting up the image and mixing up the image) etc.

The pieces can be any size and should somehow reflect your personality in some way.

Please do not worry about whether you are doing the 'correct' thing, we want you to have fun and explore your creativity and be confident in your own ability. Bring your work to your first art lesson so we can celebrate your hard work and welcome you to the course.

Also please begin to build up a 'photobank' (i.e. take images) relating to your first Component 1 project; Structures. This broad theme can include any interesting structures you come across, for example buildings, faces, people, bridges etc.

Please make sure you bring all of your work to the first lesson....NO EXCUSES!

If you have any queries about this please contact me on my email lisa.beckley@sandwellcollege.ac.uk

Yours Sincerely

Lisa Beckley
Head of A' Level Art
