

Summer Work – 2021

AS Business

Mini project

1. You are to select 1 business from 4 different industries and discuss the impact that coronavirus has had. Industries to consider: food, airline, travel & tourism, pharmaceutical, farming, public sector, etc.
2. Obtain their financial accounts to highlight how it's affected them financially.
3. Using their website, access their mission statement and objectives and explain if they have been able to achieve this or how they may have to change these due to the pandemic.
4. How well or badly do you think the Government has responded to this pandemic to the business you have selected? Justify your view.
